### Cruise ports in your pocket

Lonely Planet has published its first targeted guidebooks for cruise travellers. The Cruise Ports series offers insights into on-shore travel from major cruise ports including reviews, highlights and insider tips. In addition to advice on local life, cultural insights and the best things to see, do and eat in each port, the guides will also offer advice on selecting the right cruise for your unique needs, catering to individual, group or large family travel plans. The first destinations to be featured for the guides are Alaska, the Caribbean and Scandinavia and Northern Europe. [shop.lonelyplanet.com](http://shop.lonelyplanet.com)

### New Zealand skiing in style

Exclusive 25-suite hideaway Huka Lodge on New Zealand's North Island has created its first-ever ski package. Over an extended 2018 ski season until 22 October, the two-night Snow Time Package takes guests directly to the nearby ski fields of Turoa and Whakapapa on the slopes of Mount Ruapehu, located in the UNESCO World Heritage Tongariro National Park. At the end of the day, a private vehicle transfer returns to the lodge where après-ski indulgence awaits. [hukalodge.co.nz](http://hukalodge.co.nz)
