8 products for the eco foodie

Eco-warriors – assemble. We’re on a mission to do our part in taking care of our planet. Being an eco-friendly foodie doesn’t have to be hard, so here are eight products to help you out.

Premium New Zealand mineral water, Huka Lodge

Forgot your drink bottle at home? We’ve been there. Good thing the water bottles at Huka Lodge are made from plant-based materials. The lodge even has its own branded stainless steel hydro flasks, as part of their commitment to reducing plastic. It’s a great step forward in a better eco environment.
