

INAUGURAL FLY FISHING TOURNAMENT CELEBRATES THE RICH HERITAGE OF HUKA LODGE

HUKA LODGE

— 1924 —

HUKA FALLS TAUPO · NEW ZEALAND

Dedicated anglers and weekend warriors will cast their attention (and rods) towards New Zealand this winter for the inaugural Huka Lodge Fly Fishing Tournament, 29 to 31 August 2019. Hosted alongside premier experience provider Chris Jolly Outdoors, anglers will be matched with local guides to fish the amazing crystal clear rivers and streams around Lake Taupo.

Established as a fishing lodge in the 1920s, the size and fighting spirit of Taupo's famous rainbow and brown trout is sure to attract anglers of all abilities to Huka Lodge to experience this exclusive three-day challenge. With spots for just 50 participating guests, including New Zealand celebrity chef and passionate fisherman, Al Brown, this is going to be an action packed experience both on and off the water.

The fabulous NZ\$13,000 tournament prize pool includes items from local heritage brand Kilwell Sports Ltd, including Orvis goods, Rodd & Gunn bespoke products, as well as an amazing Helisika heli-fishing adventure. Al Brown will be the M.C. for the prize giving dinner, which promises to be truly memorable, and lots of fun.

Famed for its generous hospitality, Huka Lodge will also ensure anglers are superbly well fed and watered, including a five-course dinner, preceded by a Louis Roederer Champagne station; a tutored Glenfiddich 'Highland Tasting' featuring seven rare whisky releases and a 'Tour de France' dinner with matching French wines.

Rates from NZ\$1,220.00 + GST per person, per night, on a double/twin occupancy basis.

These rates include all activities, as detailed, associated with the Tournament, vehicle transfers for fishing, guides, fishing licences, full breakfasts, pre-dinner drinks and canapés, five-course dinners, use of all Lodge facilities and return Taupo Airport transfers.
